How ?

- Recognition: Undergraduate teaching and development of undergraduate teaching material is active CPD/CME (HKCOG) 2014 cycle
- Responsibility: of CUHK graduates to teach
- Departmental policy

Barriers & concerns

- Encourage younger generations to participate & involve in teaching
 - Learning curve for teaching
- Too busy to teach
 - How to prioritize amongst their clinical work, research, training, postgraduate exam. etc.
- Inadequate guidance on how & what to teach
 - Potential problem with teaching in some panels
